

# ORIZON

Design Lievore Altherr

<sup>IT</sup> Natura e prestazioni s'incontrano grazie alla particolare finitura NaturAll, che ricrea la calda e avvolgente matericità del legno, con la sua tessitura fine e le sue caratteristiche venature, pur mantenendo i pregi funzionali propri dell'alluminio. L'estetica del prodotto, che richiama quella dei tradizionali arredi da giardino in legno, si coniuga a leggerezza, praticità, resistenza al sole e alle intemperie: tutte doti che rendono l'alluminio così versatile. Sia le sedute che i tavoli Orizon sono altamente customizzabili e perciò adatti a soddisfare le svariate esigenze del contract. I cuscini - removibili e disponibili anche nella versione waterproof - aggiungono ulteriore comfort a panche, divani e chaise-longue.

La collezione Orizon comprende: tavoli dining, tavoli bassi, panche, divani e chaise-longue.

<sup>EN</sup> Nature and high performance are brought together by the unique "NaturAll" finish, which recreates warm, cosy wood, with its sophisticated texture and characteristic grain, at the same time as maintaining the functional benefits of aluminium. This product's appearance brings to mind traditional, wooden garden furniture, at the same time as offering lightness, practicality and sun and weather resistance: all the qualities that make aluminium so versatile. Orizon tables and seats are highly customisable and are therefore able to fulfil even the most varied needs of the contract sector. The cushions - which are removable and are also available in a waterproof version - add further comfort to these benches, sofas and chaise-lounges.

The Orizon collection includes: dining tables, low tables, benches, sofas and chaise-lounge.
