

# Compile Shelving System

“Storage is important because it is so universal: everybody needs good solutions. The inspiration for the assignment was indeed the everyday storage situation. The design, with its logical construction, parallels to a certain degree an unpretentious Scandinavian lifestyle - one shelf represents one building unit while the length of the tube defines the shelf height. In this simple way one can assemble practical formations that fit individual needs - Compile should reflect and accommodate to the life it is a part of.”

<b>Environment</b>	Indoor
<b>Country of Production</b>	Poland
<b>Preassembled</b>	No - Assembling of configurations or mounting to wall is needed.
<b>Description</b>	With its simple and refined expression, the Compile Shelving System Configurations features clean lines in a solid construction. The lower wall on the back of each shelf gives the Compile Shelving System an understated sense of detailing along with added functionality. Create your own personal Compile Shelving System from its simple components or choose one of the eight pre-arranged solutions.
<b>Material</b>	Shelves are made from laser cut steel sheets, bent to form and coated with high quality powder coating. This coating gives the shelves a matt, abrasion-resistant and fingerprint-insensitive surface.
<b>Cleaning &amp; Care</b>	Remove dust from shelves with a soft cloth.
<b>Additional information</b>	Compile Shelving Systems should always be mounted to a wall, using wall brackets. A Compile Shelving System can hold up to 300 kg. Compile Shelving Systems can be built as tall as wanted, as long as they are mounted to a wall using brackets.  Muuto recommends not building Compile Shelving Systems higher than 2,25 meters. Remove dust from shelves with a soft cloth.
<b>Essentials Pack</b>	The Compile Shelving System Essential Pack contains the following pieces for assembling the Compile Shelving System: 4pcs Tops, 4pcs Feet, 1pcs Double Top, 1pcs Double Foot, 3pcs 6mm Foot sleeves, 3pcs 9mm Foot sleeves, 3pcs 12mm Foot sleeves and 2pcs Wall bracket.
