

Linear Wood Bench

“The Linear Wood Series was designed from the idea of bringing the warm and friendly sentiment of wood into a timeless, understated shape with its form language inspired by the notion of meetings—the meetings of lines and shapes. The design is defined by its straight lines for a contemporary yet honest aesthetic through the details of its thinly elegant overhang and half-circular intersecting legs. It is through these subtle elements that the Linear Wood Series translates the values of elegance, longevity and functionality into modern Scandinavian design.”

About the Designer	Thomas Bentzen, former Head of Design at Muuto, started his own studio in 2010. Bentzen's designs are characterized by simplicity, rationality and functionality — always firmly rooted in the Danish design tradition, material knowledge, craftsmanship and rational industrial manufacturing processes. His work continues to receive international recognition at fairs and exhibitions all over the world.
Environment	Indoor
Country of Production	Latvia
Preassembled	No - Mount legs to seat.
Description	The Linear Wood Bench brings a simple and elegant perspective to wooden furniture through its modern form language with understated details for a long-lasting expression. Kept visually clean for long-lasting aesthetics, the Linear Wood Bench finds its distinct character through subtle detailing and a simple expression. Pair the design with the Linear Wood Table with the bench's proportions allowing for it to slide easily under the table.
Material	The seat is made in oak veneer with veneered plywood aprons and solid oak legs. Oak veneer: slight color variations can occur due to the inherent characteristics of the material.
Cleaning & Care	Clean the bench with a damp cloth. If necessary, only use a mild detergent or washing up liquid and not concentrated. Always wipe with a dry cloth afterwards. To minimize the risk of stains and marks, liquid, grease etc. should be removed straight away.
